

Science Revision

SCHOOL: All Saints

PHASE: All

KEY STAGE & YEAR: KS4/Year 11

CURRICULUM AREA: Science

LINKS TO PLANS/NC: CLC s aims 2, 3, 8 Objs 9, 12, 14
EiC Plan: SO2, SO4 CLC: FA1, 3, 4, 5 G&T: FA4
EDP: Priorities 1a, b, c, d, 4, 6, 7
NC: .Sc1 2g, j, k

DURATION: 1 Day

LEARNING OBJECTIVES

- ✍ To reinforce the main topics for Science revision
- ✍ To learn through interactive eLearning
- ✍ To inform preparation and practice.

BRIEF

The 3rd March 2003, saw the first full revision day in Kirkby CLC. Science teachers from the school had spent some time with the eLearning Developers prior to this event to ensure that resources were tailored to the group of students that would attend the Centre.

DESCRIPTION

Year 11 Science students from All Saints school spend the day testing their knowledge using the interactive resources developed at the Centre in collaboration with Science staff.

Activities included Kirkbyaire and interactive assessments for all GCSE modules. If you want to check out these resources they are available on the centre's website via the Knowsley Learning Place eResources or at www.knowsleyclcs.org.uk.

In addition to the resources developed by the Centre, students were encouraged to use SAM Learning, including the drag and drop exercises and preparation and practice.

OUTCOMES/EVALUATION

These resources have been provided to students on CD Rom and are used regularly during WebEds (After school study support sessions). This resource has since been developed further and incorporates more modules based up EdExcel GCSE course.
