

## Make A Play in 2 Days 2005

### “Our World – Our Way”

For the fourth year running Halewood Community Arts College has hosted the Gifted and Talented project “Make a Play in 2 Days”. As the name suggests the whole project is a mere two days long, in which 60 students meet, and within 20 minutes are working closely together creating a brand new, original play from scratch. The performance, which took place on the evening of the second day, was a culmination of 2 days of intensive writing, set and costume design, devising, music making, choreography and sheer hard work by 60 Gifted and Talented young people from four Knowsley Secondary Schools – Higherside Comprehensive School, Prescott School, St Edmund Arrowsmith High School and Halewood Arts College.

The title of the 2005 performance “Our World – Our Way” was a fast paced around the world trip, looking at different countries and cultures as seen through the eyes of these very talented young peoples.

It was a very exciting, enlightening adventure of Colour, Culture and Carnival!
