A Climate Graph to show Temperature and Rainfall in Reyjavik, the capital city of Iceland

Damian wears shorts and T-shirt for the only time in the year.
Elaine goes to the shop after the children go back to school and buys an umbrella.
When the temperature goes below freezing Damian puts the snow tyres on his jeep.
The Icelandic football season starts when the temperature goes above 4°C
These two months are when people put their waterproof coats away.
Rudolph moans about the cold and snow to Santa.
Elaine is really glad that she bought an umbrella in this month.
